

Solon's Vision Statement

The Town of Solon seeks to preserve and enhance its rural character, natural beauty, and traditional values while guiding thoughtful and sustainable growth. The Town is committed to protecting its natural and economic resources, maintaining its small-town character, and fostering a strong sense of community rooted in collaboration and civic pride. Solon values the abundant recreational opportunities in the area and remains welcoming to responsible outdoor and community recreation that supports residents and visitors alike. The Town also strives to maintain a safe environment with minimal crime, ensuring peace of mind for all who live, work, and spend time in the community. By balancing responsible development with the preservation of its scenic, environmental, and recreational assets, Solon works to ensure that progress supports its unique identity and long-term resilience. Through transparent and fiscally responsible governance, effective local leadership, and active citizen engagement, Solon will continue to offer a high quality of life for residents, businesses, and visitors, remaining a welcoming, vibrant, and connected community where people can live, work, and prosper.
